  - Getting Courtney up to speed!
    - Discussed a rough draft workplan for Courtney. Comments/proposed changes:
      - 2026 annual report tentatively schedule to be started in the summer.
      - It's best to be done by October so an invoice can be prepared.
      - Add detailed tasks for September.
      - Develop the Weed List Committee in October with a first-meeting deadline in January.
      - Looking for funding/grants in the summer is optimal.
      - Send out a reminder for general meetings 3 weeks before and an agenda 1 week before.
